Dear Nick McRae:

I have recently learned that you have been named the LEADS Indiana Young Entrepreneur of the Year. Congratulations! Businesses large and small are the engine of the American economy.

As Congress works to create conditions favorable to sustainable economic growth and job creation, I'm glad to know we have businesses in Indiana like yours that share those same goals. By maintaining the entrepreneurial spirit your company is helping to ensure its future success. As we both focus on economic growth, I hope you'll partner with me by offering suggestions on how we can help make your job easier. Please don't hesitate to contact our office if you need anything.

Thank you for your continued hard work.
